## Why CoachHub?

CoachHub's mission is to bring out the best in people, for forward-thinking companies on a global scale. Transform your business with AI-powered, technology enabled coaching to create a resilient and thriving workforce.

### Leverage technology to provide the best experience:

Using our proprietary matching algorithm, we can ensure each employee is paired with the right coach to individually focus on key areas such as resilience, communication and emotional intelligence.

**Different by design:** We are more than just a vendor; we're a partner. Our client centric approach to designing and implementing a tailored solution takes the guesswork out of getting started, but we don't stop there. We bring our science and expertise with flexibility to align to your model, then we measure our collective impact.

**Certified and experienced coaching pool:** Every member of our thoroughly vetted global coaching pool is certified from leading industry coaching associations, with not only the highest credentials in coaching practice, but more than six years of experience as a business leader.
